In consideration of the sum of One Dollar (\$1.00), the receipt whereof is hereby acknowledged, the Grantor(s):
The Berror Corporation

Western Hills Sec. 7

do hereby grant unto COLUMBUS AND SOUTHERN OHIO ELECTRIC COMPANY, its successors, assigns, lessees, and licensees (hereinafter called the Company), so long as the same may be used, the right and easement to construct, reconstruct, enlarge, repair, replace, remove, operate, maintain, inspect and adding to from time to time, whether pole or underground, for the transmission and distribution of electric energy and communications, together with all such facilities, including poles, wires, guys, guy stubs, conduits, manholes, fixtures and appurtenances, as it may require or deem proper therefor, and for the attachment and carrying of the wires and cables of other companies using energy in the conduct of their business, upon, across, in, over and/or under the property and/or also along any highway as now or hereafter exist crossing the property situated in R..... T..... Sec..... Fr..... Survey.....
in the..... City of Columbus..... County of..... Franklin..... and State of Ohio, and known as
lots 163-194..... ~~some more or less~~ as the same is more particularly described in deed dated..... 30 September 1933
from..... Edward F. Seidel Jr. Tr. and Marcia K. Seidel to..... Beasley Industries, Inc.
..... and recorded in Deed Book..... 3402..... Page..... C18..... Record of Deeds in
Recorder's office,..... Franklin County, Ohio. Being lots 163-194 of the Western
Hills Subdivision #2 as the same is numbered and delineated upon the recorded plat
thereof, of record in Plat Book 60, Page 42, Franklin County Recorder's Office.

Said lines shall be constructed within the limits of certain strips of land, the locations of which are shown and delineated by shaded areas upon the attached drawing marked Exhibit "A" and made a part hereof.

With the granting of this easement, the owner and/or developer hereby consents to the Company installing underground lines, duct, conduit and/or overhead lines ~~within the limits of proposed streets and roadways~~ as they are presently designed.

FRANKLIN COUNTY, OHIO.

Recorded: SEP 25 1996 Time: 10:30A

JOSEPH W. TESTA, Recorder

Recorder's Fee \$ 12.00

In the case of underground services, either primary or secondary, the Company is hereby granted the right and easement to install the necessary service facilities, which shall remain the property of the Company, from its distribution feeder lines, in such location or locations as may be necessary to serve with electric energy the building or buildings, existing or to be constructed on the subject property or lots.

If at any time the Company is required by the State Highway Department or any other governmental authority having control over said highway to relocate any or all of the facilities of said line, then the Company may and is hereby granted the right to relocate said facilities along the highway as it now exists or may hereafter exist.

Said easement includes the right to cut, trim, and/or remove any trees or shrubbery which may hereafter interfere with the construction, reconstruction, operation and/or maintenance of said line, within the limits of the easement and within the limits of a strip of land five feet in width on each side, adjacent and parallel to the easement and to cut, trim, and/or remove any trees or shrubbery that now interfere with the construction or reconstruction of said line.

The Company hereby agrees to pay for damages to the stock, growing crops, fences, gates, drains, ditches, or structures of the Grantor(s) or the disturbance of seeded lawns done by the Company or its employees while engaged in the construction or maintenance of said electric energy line.

The Company shall have the right of ingress to and egress from the site occupied or to be occupied by said line and appurtenances, and the right to do any and all things necessary, proper or incidental to the successful operation and maintenance thereof. It is specially provided, however, that the facilities of said lines shall be so located as not to interfere with the undersigned's ingress to and egress from said property, and the Grantor(s) shall have the right to use said right-of-way and easement for purposes not inconsistent with Grantee's full enjoyment of the rights hereby granted; however, Grantor, for Grantor and Grantor's heirs, successors, and assigns, agrees that they will not cause or permit any structure or building to be built or placed within the easement area and will not cause or permit any excavation deeper than eighteen (18) inches within said easement area except for utilities, but such other utilities shall not interfere with the Company's right to locate, construct, operate and maintain its facilities as herein granted.

Grantor has full power to convey this right of way and easement, and warrants and will defend the same against all claims by any persons.
